Re: Proposed annexation to the
City of Compton, Annexation
No. 129

Dear Mrs. Harlan:

At the meeting held on August 26, 1959, the County Boundary Commission reviewed the boundary description and map submitted by your City Engineer, Don W. Robins, with his letter of August 12, 1959, of the proposed annexation of territory to the City of Compton.

Although the boundaries submitted do not create islands or corridors of unincorporated territory and conform with record lines, upon recommendation of the County Engineer revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

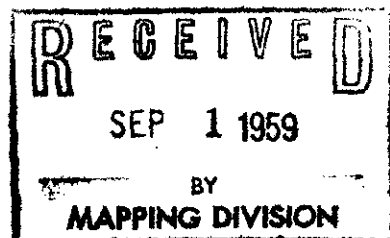

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.
